**JUROR** Scott Hickey- Instructor and Foundry Manager at the VetArt program. "I am an Army Veteran who discovered the VetArt program in 2015. This program helped me to realize that I have much to offer other Veterans who find themselves in challenging situations. I use the creative process as a form of therapy to work through what I would consider daily obstacles and struggles. This process helps me to not only acknowledge and deal with these obstacles, but to make them a part of the subject matter of my work. I find the result cleansing to the soul" -SH
