JUROR:

Megan Misako Darrough is a freelance Artist and Illustrator who resides in San Diego, California. She holds a BFA from the California College of the Arts in San Francisco. She works in both traditional and digital mediums: Adobe photoshop, Adobe illustrator, pen & ink, oil and acrylic painting, as well as polymer clay for sculpting and ball-jointed doll making.

"I wish for my work to evoke conversations about archetypes, symbolisms, and the celebration of different perspectives and opinions. Without differences, we would have nothing to learn and expand from. My work is my way of connecting with others, as well as connecting them to themselves and others. Art is the universal language that goes beyond words and knocks on the door of imaginative minds."
