

High Rez: A Digital Art Show

August 8 - September 4, 2026

This juried exhibition invites artists working in all forms of digital-based media to share their visions. High Rez embraces the full spectrum of digital expression. A space for precision, experimentation, craft and play, for the deeply human and the digitally born. Use digital tools and platforms to create visual or audio art. Join us in exploring how pixels become presence, and how digital tools continue to reshape what art can be.
